

## Three Base Ball Games

Horse Racing and Other Sports at Smithers

Smithers, July 2.—Although threatening skies prevailed during the forenoon ideal weather was provided for the afternoon of Dominion Day, and a crowd estimated at close to 500 was at Agricultural Park to witness an exciting program of sports under the sponsorship of the Native Sons of Canada and the Smithers Athletic Assn.

During the morning a lengthy program of field sports was run off, and judging from the keen competition there is a bright future for the Junior Olympic Club now being organized in the Bulkley Valley capital. Several creditable records were set by the school jumpers, both boys and girls, while the sprint events attracted unusual large fields and furnished a number of hair line finishes.

The senior track events were staged during the afternoon. In the open 100 yard dash "Jiggs" Graham led a field of six sprinters to the tape, closely followed by Mike O'Neill and Cliff Warner in the order named.

Ross Gowanlock of Telkwa was never extended in the 880 yard race, finishing 75 yards ahead of Alvin Dieter and Pat Carr, who came in second and third. There were seven entrants in this event and Gowanlock took the lead at the outset and gradually widened the distance between himself and the other runners.

The track was in ideal shape for the three horse races as a result of a brisk rain the day before, and seldom have local turf fans witnessed such keen competition and thrilling finishes as was provided at Smithers on July 1. The cream of the Valley's running stock was on hand for the purses, and the starters and judges were confronted by large fields in all three events.

The opening event, a half mile for three year olds, was dominated by the Wakefield stable. Roy riding "Northern Light" and "Silver Arrow" ridden by Ray Wakefield were first and second with Walter Skelhorn's "My Shiek" third. The first three horses were closely bunched at the finish and furnished an exciting climax to a well contested race.

The open half mile race resulted in the most popular victory of the afternoon, when Miss Olive Evett on John Lapadat's "Glennam Beauty" led a field of seven horses to the wire. The winning jockey was given a great ovation for her ride.

Roy Wakefield won the mile open with Golden Arrow, but he was challenged to the last by Franklin Stewart riding his own horse Lady.

Many amusing situations cropped up in the three inning baseball game for the midgeet championship of Smithers which resulted in the flies beating the Fleas by a 6-1 score. The embryo ball stars went about the business of batting and fielding with an earnestness which was surprising to their parents, scattered among the large crowd of spectators. Many of the fine points of the game were overlooked by the youngsters in their desire to secure immediate results, but altogether the game was a novel diversion from the more serious events of the day.

Hazelton took home the baseball prize by winning from the Smithers Seniors who had previously defeated the Snappy Nine. The latter game was a bitterly fought affair, and saw the seniors come from behind with a eighth-inning rally to score four runs

and nose out their youthful rivals by much to the disappointment of a large section of the fans. Vic Graud hurled a steady game for the losers until the 8th when the Senior squad unloaded a barrage of extra base hits and forced Lewis to the mound, but not until the damage was done. Cliff Warner, veteran Smithers pitcher was in good form, and held the blue and white clad boys to a few scattered hits with the exception of the seventh when he yielded three counters as a result of a walk, two hits and two errors.

The final game was a heavy scoring affair with the Hazelton nine scoring an easy 17-10 victory over the Smithers team. The visitors turned in the best game they have played this year, their batting being heavy and consistent at all times. Taking an early lead the winners hammered O'Neill, youthful Smithers left-hander from the box in the fourth by scoring six runs, mainly as the result of infield errors. Pope finished the game, but fared little better, although he improved in the last two frames. Both pitchers were accorded ragged support. York hurled a nice game for Hazelton and was given unusually good support. Cox was outstanding in this respect, handling several hard grounders without a mis-cue. Smithers rallied in the 8th, but the winners were too far in front to be overhauled.

The dance attracted a crowd of 250 to the town hall, which was gaily decorated for the occasion. Music was furnished by a four piece orchestra and the dance was continued until 3.15 a.m. Splendid refreshments were furnished by Mrs. Wm. Lewis and her assistants, and everyone voted the dance one of the most enjoyable held in Smithers in recent years.

### COMMUNITY ASSOC. MEETING

A general meeting of the Hazelton Community Association will be held on Thursday evening at 8 o'clock for the purpose of considering four main items: First, to consider an amalgamation with the horticultural association, and if agreeable, to appoint a committee to meet a committee from the horticultural association to work out a basis of amalgamation; next, to receive the report from the building committee; then to decide on what lot to build the new hall; and finally to elect a secretary to succeed Harry Walker who has been transferred to Kitwanga. It looks like a busy session and everyone interested in the welfare of the town should be present.

### WRITER FROM CALIFORNIA

Aubrey Boyd, a well known author, accompanied by his family, arrived in New Hazelton on Monday evening and stayed here until Wednesday morning when he and his family left for Rupert enroute to Alaska where they will put in a couple of weeks. Mr. Boyd is at present gathering data for a new book on the north country in which the road to Alaska will be featured. Mr. Boyd is an old friend of W. S. Sherriffs, although they had not met for some seven or more years and had really lost track of each other. Mr. Boyd stored his car in New Hazelton and will spend a couple of days here on his return from Alaska.

## New Hazelton School Report Are Favorable

Following are the results of the promotion examinations held in New Hazelton elementary school, June 1932:—Possible marks, 700.

Promoted from grade 7 to grade 8—Evelyn Caza 555, Egill Sargent 542 Peter Smith 503, Lawrence Willan absent through illness, promoted on years work, Catherine Smith 363, promoted on trial.

From grade 6 to grade 8—Eric Johnson 575, Stanley Willan 556, Kenneth Smith 504.

From grade 5 to grade 6—Fred Salt 609, Eric Sargent 511, Ella Richmond 474, Charles Bugg 414, on trial.

Honor rolls—  
Proficiency—Fred Salt.  
Department—Lawrence Willan.  
Regularity—Kenneth Smith.

John Rulfin, teacher

### Division 2

From grade 4 to grade 5—Sammy Senkpiel 594, Margaret Greer 574, Bessie Fletcher 547, Edith Bugg 532, Esther Bugg 505, George Bugg 471, Margaret Willan 470.

From grade 3 to grade 4—Patricia Russell 614, Laverne Senkpiel 575, Ellen Smith 509, Robert Fletcher 475, Frank Walters 402, Charlie Richmond 400.

From grade 2 to grade 3—Betty Sibbey, Sigrid Hed.

From grade 2 to grade 2A—Colin Sargent, Ellen Fletcher, Henry Hankin.

Honor rolls—  
Proficiency—Patricia Russell.  
Department—Margaret Willan.  
Regularity—Edith Bugg.

Jean Burns, teacher

## Mrs. Belmont Passed Away On Wednesday

After suffering from a severe illness for several weeks Emma Belmont, wife of Leon Belmont, passed away in the Hazelton Hospital about midnight on Wednesday, June 29 at the age of 35 years. The deceased was ill at her home for a week before going to the hospital. She was a native of Poland and came to Canada following the world war and about three years ago was married to Leon Belmont of New Hazelton.

The late Mrs. Belmont was a fine type of a woman and she was highly respected in the community. She was a hard worker and a capable one.

The funeral was held on Friday afternoon, July 1, services being held in the New Hazelton church by Rev. S. V. H. Redman and a large number of the citizens were present to pay their last respects to the departed. Interment took place in the Hazelton cemetery.

Floral tributes were placed on the casket by Mr. and Mrs. J. Russell, Miss Martha Wilson, Mr. and Mrs. R. S. Sargent, Mrs. P. Smith, Mrs. M. W. Ting, Miss Madeline George, Mrs. Sealy Mr. and Mrs. Roy Guss, C. H. and Mrs. Sawle, Mr. and Mrs. F. Salt, Mr. and Mrs. W. S. Sherriffs, Mr. and Mrs. G. D. Parent, Mary Zellna, Mr. and Mrs. N. R. Ory, Grace Smith, Dr. and Mrs. H. C. Winch, Mr. and Mrs. W. Greer, Mr. and Mrs. H. C. Hindle, Mr. and Mrs. Myros, Mrs. Smith, Miss Melkie John.

The sympathy of the community is extended to Mr. Belmont in his great loss.

## Dominion Day at Terrace

Base Ball, Field Sports and a Grand Dance

And the game stood 11 all at the end 9th. The teams decided to fight it out and Usk went to bat. Thomas pitched two out without a score, and then, with Moody on 2nd and LaPlante on 3rd Terrace missed a sure out when Alger went to first, and that started a procession. LaPlante came home and before the Usk boys finished Moody, Alger and Post had crossed the plate.

The spectators were about ready to go home when McKenney's boys went to bat. Burnett was first man up and he put new heart into the local fans with a safe hit to first. F. Thomas followed and got on a base and advanced Burnett and McKenney did the same, and then Usk got rattled and loved Burnett to go home; Thomas loved right after and then McKenney took a chance and arrived safely. In the meantime other Terrace boys had been to bat and got on bases and Tony Hip crossed the plate like a flash and evened the score up again. L. Thomas who was on third made the home plate safely and the next man to bat went out. Thus the score was 16-15 in favor of Terrace.

The game started off with pep and Fred Thomas, pitching for Terrace put the visitors away in quick order. Then the Terrace Snappy Nine went to bat and scored four runs. The second innings was a blank but in the third the visitors took three and shut Terrace out. The next two innings were both blanks. In the 6th Terrace added a couple more and Usk got one in the 7th. But it was in the 8th when the visitors got a break and added three, but Terrace came back with four more. The 9th started off with a score of 10 for Terrace and 7 for Usk boys scored 3 to tie. (Here our reporter got himself balled up in the figures. Anyway an extra inning had to be played.)

The first game between Terrace seniors and the Snappy Nine was more of a ragged affair. The final score was 27 to 11. At all times the youngsters had a clutch over the seniors.

Following the first ball game a program of sports was run off as follows: Girls 6 and under—Helen Hipp, Dorothy Cope, Dorothy Matthews.

Boys under six—Morice Cole, Bruce McCoshman, Norbert Cote.

Girls 9 and under—Margaret Little, Betty Dover, Lillian Weymouth.

Boys 10 and under—Edgar Cole, H. Thomas, Wickfield Elder.

Girls 15 and under—Francis Dover, Barbara Sherwood, Lillian Grant.

Boys 15 and under—Tony Hipp, W. Downing, F. H. Nash.

Three legged race, girls—L. Kling and F. Taft, M. Llewellyn and M. McLeod.

Three legged race, boys—Bruce McCullough and H. Henderson, F. H. Nash and W. Downing.

Wheel barrow race—Smith and Cole, Hamer and Pearson.

Long jump—Fred Thomas, 17 ft. 4 1/2. 100 yard dash, open—Tony Hipp, O. Olson, C. Canthers.

Usk with Maurice Barnes pitching and A. Alger behind the bat have a fine combination. Maurice was fully up to his old style and for a few innings had the local boys guessing, while Art was right there to catch all that the Terrace boys missed.

It is rumored that Terrace juniors intend to play with only one man in

the out field. By the way Little can pick them out of the air he should be able to handle the whole field.

Lawrence Greig doesn't seem to mind how he stops them—his play on 3rd base is to stop any from going by. He did his stuff.

Ernie Laplante, short stop and the captain for Usk, may be short in the legs, but how that boy can make them twinkle. What he misses in length he makes up in extra revolutions.

## School Teachers On Motor Trip To The North

A party of school teachers, two cars arrived in Hazelton Monday afternoon having motored from Vancouver. They were guests over night of Rev. and Mrs. Redman. They left Tuesday afternoon enroute back with stops at points along the way. The young people are having a whale of a time and they are seeing a part of the province which they cannot learn anything about from their geography studies or teachers. They report the roads in good shape all the way, but from Telkwa in they found it had been raining, and so felt that as yet they had not left their world entirely. In fact they were quite surprised to find that the inhabitants of this far country were pretty much the same kind of clothes that they do in Vancouver, and that some of the folk could understand what they were talking about. It was quite an educational tour and the rising generation in Vancouver should reap some benefit from their teachers.

### DENNY ALLEN A VISITOR HERE

Mr. and Mrs. Dennis Allen and son and daughter arrived Monday night to spend a few days vacation in Hazelton. They have rooms over Myros store. Denny Allen is one of the originals in Prince Rupert and in the early days he was one of the more popular boys. He never got a holiday and about the only time he went away from Rupert was when he joined with Col. C. Peck and went overseas where he remained until the end. His present holiday is really the only holiday he has had and it is the first time he has been in this district, and as he says now "much to his sorrow and loss." He has been here only two days and is already feels like a new man and will be on his toes when he gets back to the coast in another week.

### THE LATE MRS. CRAWFORD

Word has been received of the death of Mrs. Crawford, mother of Mrs. H. A. Harris of Vancouver, and formerly of New Hazelton. The death took place on June 21st at her home in Cralk, Sask., following a fall she had on the steps as she was going out to call on a friend on June 11th. She suffered a broken hip and a severe shock and she never seemed to recover from the shock. The late Mrs. Crawford celebrated her 84th birthday last November, and had enjoyed the best of health all winter and spring.

The deceased lady visited her daughter in New Hazelton on several occasions and will be remembered by good many of the old timers who will extend sympathy to Mrs. Harris in her bereavement.

# 1 Flavor

KELLOGG'S Corn Flakes have a delicious "wonder" flavor discovered by W. K. Kellogg and never successfully imitated by any one else.

# 2 Freshness

The minute Kellogg's leave the toasting ovens, the flakes are completely sealed in a WAX-TITE bag which is placed inside the red-and-green package and keeps every flake fresh and perfect. It's a patented Kellogg feature!

# 3 Value

Kellogg's Corn Flakes are among the most economical and convenient of foods. Guaranteed by W. K. Kellogg: "If you do not think them the very best corn flakes you ever tasted, return the empty red-and-green package and we will refund your money." Made by Kellogg in London, Ontario.

## A Worm Free Flock Possible by Proper Care

Successful poultry keeping depends more and more on the health of the flock, and of first importance in this is the fight to control internal parasites. An experiment conducted shows that of two pens of 80 pullets, one pen A reared under infected soil conditions and other, pen B, reared free from pollution, the latter gave eggs at current prices to the value of \$6.53 per bird for the eight months commencing Nov. 1, and the former gave eggs to the value of \$3.32 for the same period. The mortality figures emphasize even more strongly the importance of

line each subsequent insertion.

### FIRST QUARTER CENTURY

The Omineca Herald has completed twenty-five years of continuous publication and with this issue commences the second quarter century. They say the first twenty-five years are the hardest. We quite believe that and look forward to the next twenty-five with a good deal of pleasure, and with hopes of witnessing a greater development of the district's resources than has taken place in the last quarter century.

While twenty-five years is a long time when one looks ahead, it is not so long when one looks back, although in that time a great many changes take place. Most noticeable are the changes in the population. Every few years there is almost an entire change in the people, and taking a glance over the mailing list and the old files of the paper, there are few left of those who were leaders twenty-five years ago. It is, however, a great pleasure to the editor to see so large a proportion of the names of the old timers still on our mailing list, and better still, all the real old timers are paid up to date or nearly so. That is the greatest compliment a person can pay a paper—to continue taking it throughout the years.

### SHOULD TAP THE TOP MEN

Now that the C. N. R. management has cut expenses to the bone, so far as they are able to see where cuts can be made—it is about time to start on the higher ups. Reducing the pay of section men and cutting out whole sections no doubt saves a few thousands of dollars per year, but it also adds a good many more men to the ranks of the unemployed, and to those forced to seek relief from the government. In the end it does not look like economy. The expenditures of the railway have been reduced, but at the expense of the roadbed.

What would be the matter with cutting off a few hundred thousand dollars a year men, and a few twenty thousand dollar a year men. Then cut out a whole raft of super-efficiency men—men who draw big salaries and have big expense accounts to prove to the average employee that the company believes him dishonest and must be checked and double checked. Possibly, too, if a raft of men were let out whose duty is chiefly to keep the people from getting a fair show, a lot of money would be saved and the feeling of the public would return to favor the company, rather than trying to keep their transportation costs down to the minimum.

having worm free stock. Pen A during the period of the test had a death rate of 53 per cent, while pen B lost only 8.3 per cent.

The same method of control is by prevention rather than by an attempt to clean up infection after it has become established. To this end all the poultry houses should be provided with double yards, one at the front of the house and one at the back. While the front yards are being used the yards at the back are ploughed, thoroughly cultivated and seeded to a good cover crop of clover and alfalfa, which is allowed to sweeten the land for a full season. The following spring the birds are put on the cleaned, crop covered yards at the back, and the front yards are then cultivated and seeded so as to be ready for use the following year. To assure the chicks coming into winter quarters worm free or practically so, the chick rearing ground is entirely removed from connection with the plant where the old fowls are kept. The chicks go immediately from the

## About Readers And Writers of Advertisements

ITS A VERY OLD STORY—the story of the man who put in a great daily newspaper an inconspicuous 2-line advertisement as follows:—

Cats Wanted—\$1.00 each, before  
9 a.m. 16 Major street.

He put in this advertisement to prove to a doubting friend that the public reads advertisements.

You can imagine the doubter's consternation when he saw next morning a streetful of men, women and children, each with a cat.

Whatever you yourself may do in regard to the reading of advertisements, know this: Everything printed in a newspaper gets read, and there are many who read every line—news matter and advertisements—those with lots of time and curiosity.

The company or firm with something to sell—something which thousands of persons can buy—wouldn't be very wise if it published an inconspicuous advertisement. The right thing for it to do is to crash in on your attention, by publishing an advertisement which everybody is likely to see.

Its job is to make you—a normal man or woman—see its advertisement and to make it so interesting that you'll read it. Then the advertisement must be persuasive. Also it should incite you to take action.

Of course some advertisements—those of local retailers—may quite properly give prominence to prices. Their job is to direct you, rather than to inform or persuade you; and to stir you up to quick action.

The writing, designing and illustrating of advertisements intended to catch attention, intrigue interest, convey information, be convincing, breed desire, for what is advertised, and incite the reader to purchase are highly specialized jobs.

If you want to know just how difficult is the job of writing an advertisement which would get 100 marks from a competent judge try to write one—about a vacuum cleaner, a motor car, a writing ink, a child's shoe, or anything else, limiting yourself to 300 words or less.

This advertisement is sponsored by the Canadian  
Weekly Newspaper Association

quabator cellar (which is closed to those working with old stock) and are brooded and reared on forage covered land over which no fowl has ranged for at least two seasons. By these methods it is anticipated that the pullets will come into winter quarters worm free and will be confined to the houses until the following spring before they are allowed out into the yards which had been prepared for them by resting and growing a crop of clover all the preceding year. By this rotation of yards and the using of the growing chickens as one year in a four year crop rotation, it is felt that the safe guarding of the health of our flocks by the prevention

## Pacific Improves The Flavor

Years ago when Pacific Milk announced that all the pure cream richness could be and was retained in this good milk it was a sensation in the trade. We knew then that could vacuum cans be used it would give a finer flavor. But experts said that only dry foods could be packed in vacuum. Pacific Milk has found how to use vacuum cans and the improvement is wonderful.

## Terrace Notes

Miss Patmore of the Kitsumkallum public school has gone to her home in Prince Rupert.

Mrs. P. J. Murphy of Reno was in town on Thursday and Friday.

Miss McInnes of the local high school staff left for the coast on Friday and will attend summer school in Vancouver.

Mr. and Mrs. Michaels left for the interior on Saturday.

D. Scott of the staff of the Prince Rupert Fish & Cold Storage Co., arrived Thursday night with Mrs. Scott who will be a guest of Mr. and Mrs. P. Merkeley. Mr. Scott went back to the coast Friday.

W. O. Fulton of Prince Rupert and his family arrived last Thursday and after getting the family settled at the cottage at Lakelse William went back to the coast on Sunday.

Miss Elsie Reid of Vancouver is to

spend her summer vacation here.

Mrs. D. Munro arrived from the south on Saturday afternoon.

A. Waddington of the forest branch spent the holiday in Terrace.

A daughter was born on June 30th to Mr. and Mrs. E. Aaserude of Terrace.

A son was born on June 30th to Mr. and Mrs. W. Jordan of Terrace.

The Ladies-Guild of Knox United church held a strawberry social at the home of Mrs. T. Brooks on Wednesday evening.

Mrs. Whitlow and her daughter of Usk were the guests of Mrs. H. M. Willson on Friday and Saturday.

The C.G.I.T. girls had a busy time on the first. With a tent behind the backstop on the ball field they conducted a hot dog stand and refreshment stand and did a lot of business.

It is understood that at a meeting of the Village Commissioners to be held this week a new herd law will be put into effect which will cover the whole twenty-four hours of the day. Local lawns and gardens are going to be protected.

P. Carrigan of Hazelton spent the holiday in Terrace.

P. LeeRoss of Pacific was registered at the Philbert Hotel Saturday.

It is expected that Louis Martin will be able to come home to Terrace this week.

J. Couture of Kalum Lake was in town the end of the week.

Mrs. T. E. Brooks left for Prince Rupert on Sunday.

The Terrace Troup of Boy Scouts went out to Lakelse on Monday to go into camp near the cottage of J. Sparkes. About ten boys will be in camp and will be in direct charge of Asst. Scout Master J. Sparkes, Jr. and E. Nash Jr., with Scoutmaster S. Kirkaldy giving an oversight to the operations.

S. J. Meyer and A. D. Johnson of Smithers were in town this week.

R. E. Anderson of Pacific was here for Dominion Day.

The dance staged by the Native Sons the evening of the 1st was well attended and thoroughly enjoyed.

Mrs. C. J. Norrington of Prince Rupert, is expected to arrive on Wednesday to spend some time in the district.

Reno strawberry growers are employing local girls to help gather the crop. The movement of berries is expected to be in full swing this week. Various growers have received orders at \$2.50 and \$3.00 a crate for their fruit. As they have good crops they should do well this year.

The Native Sons and the League of Nations played foot ball on Dominion Day in the evening. It was a tie 3-3.

W. Allard of Kalum Lake says he saw a big grizzly the other day, but it was across the ravine from him.

### NEW PLAN FOR RELIEF WORK

Under the new order that those in receipt of direct relief have to work it out at \$2.50 per day it is planned to get a lot of the local roads put in better shape. Many of the men will be on roads near their homes and a general clearing away of brush and fixing of bad spots will be the order of the day. In addition it is hoped that a

## Howl, Wolves, HOWL

Jim Curran, Editor of the Sault Daily Star, believes with Old Sam Martin that "a man who says he has been et by a wolf is a liar".

Jim Curran, as all the world knows, is an expert on wolves, so much so, indeed, that he has persuaded Sault Ste. Marie to hold a Wolf Week, July 25-30. That is the kind of a week it's going to be. Jim Curran, the wolf expert, says it will be worth attending; that the Sault is the friendliest

town in Canada, and that respectable strangers will be welcome.

Plug hats will not be practical headgear during Wolf Week at the Sault. This is a warning, and is understandable at a show where the background is totally composed of timber wolves, Hudson Bay Barbicues, Indians and whiskers.

Jim Curran and his fellow-citizens of the friendliest town have cornered the world's best professional long distance swimmers for some real racing, and have per-

suaded the Ojibway Indians to produce a riverside version of "Hiawatha".

A survey of the Wolf Week programme reveals a combination of sentiment and excitement. Governor Roosevelt of New York State has presented the citizens with a British flag taken by the U. S. troops when they burned the Sault in 1814. The flag will be hoisted with appropriate ceremonies. The excitement comes in when the visitors will be invited to amuse themselves running the Sault Rapids in canoes, attending Algoma Wolf Club dinners, and sympathizing with the unlucky winner of a bear, which animal, Jim Curran proposes to raffle in lieu of one of his beloved wolves. The Algoma Self-Denial Club has added three pleasant features to the programme. The members of this club never deny themselves anything, and they advise that there are no peevish cops in the Sault; that their city is only an overnight ride from Toronto on the Canadian Pacific's homeliest train, and that they still serve cheer with the apple pie in the Sault, which Jim Curran says is built beside Lake Superior in the great Algoma forest, near the timber wolves.

number of small projects, giving access to farms will be put through and the district thereby generally improved.

### IMPERIAL VISITORS MET

By Board of Trade—President Presented a Crate of Strawberries—Flowers for the Ladies

When the train arrived on Saturday afternoon the members of the Terrace and District Board of Trade were out in force to greet the Imperial Tourists who were seeing the province under the auspices of the government. President J. K. Gordon presented the party with a crate of fine strawberries while a large basket of flowers had been obtained from Mrs. DesJardins, and a bouquet was presented to each lady in the party. The train was held for a while to allow local members to drive some of the party out to nearby points and allow them to get an idea of what Terrace has to offer. The Terrace News in speaking to some of the party found them greatly enjoying the trip. They expressed surprise at many things they had seen, the scenery being much better than they had expected. One man said "we read of these things but one has to see them to really understand and appreciate them."

Miss Beatrice Bolivar of the hospital staff is holidaying at her home in Smithers.

Miss Daubauer returned to her duties on the hospital staff the first of the week after a holiday at her home in Copper City.

## Wedding and Reception for Popular Couple

Sherriffs-Swartz

A quiet but very pretty wedding was solemnized in the United Church in Hazelton on Thursday evening, the 30th of June, at 7.30 o'clock, when W. S. Sherriffs was united in marriage to Mildred Swartz, both of New Hazelton. Rev. S. V. H. Redman conducted the ceremony and the witnesses were C. H. and Mrs. Sawle. The bride recently arrived from Arazona where she had lived for years. The groom has been a resident of Hazelton and New Hazelton for a number of years and is well known and well liked. About a year ago he went into business for himself and has done well.

Following the wedding ceremony the happy couple held a reception for their friends in the New Hazelton hall, followed by a dance. Music was furnished by a four piece orchestra and the evening was a very happy one. During the evening vocal solos were given by Miss Jean Burns and Mrs. V. S. H. Redman. Refreshments were served at midnight and the jolly dance continued until the small hours. Nearly 200 guests were present and all declared that it was the finest dance for a long time.

The newly married couple received the hearty congratulations and well wishes of everyone, and the bride was the recipient of numerous gifts.

## Quality of Hogs Has Improved Number is Up

The volume of hog marketings indicates that the desired trend of hog production evident during recent years was arrested by increased interest in hogs as a medium by which to market the very liberal and cheap feed supply. As compared with previous years, marketings at yards and plants combined showed an increase of approximately 342,000 head, this quantity representing only that portion of the new crop of hogs marketed up to the end of the calendar year. It is interesting to note while the total movement was the second smallest in five years the total sales at the stock yards only were the heaviest of any year in the past five, while the marketings direct to packing plants were the second smallest during the same period.

It is most encouraging to note that despite the fact that material increases in production are usually associated with a decrease in quality, the percentage select bacon hogs was proportionally under that of the much smaller marketings in the previous year.

It is important to add here that quite likely the total increase in hogs during 1931 was much greater than the comparative figures indicate, owing to the great probability that the local slaughtering of pigs showed heavy increases during the year because of the low value of hogs in relation to marketing costs. Unfortunately marketing costs did not decrease with the lower commodity values.

The total hogs marketed in 1931 was 2,043,372, of this 400,004 graded select bacon, 1,081,833 graded bacon, and 524,808 graded butchers.

The W. A. to the Hazelton Community Association has cancelled the garden party indefinitely that was advertised for this month.

### CARD OF THANKS

Mr. Leon Belmont wishes to extend his sincere thanks to all those who were so kind to him during the illness of the late Mrs. Belmont, and to all who sent floral tributes and expressed sympathy during his bereavement.

## Doings Around Home

**FOR SALE—Fordson Tractor in excellent condition....This tractor has had very little use....It is equipped with standard flanged wheels and also has a set of practically new solid rubber tired disc road wheels. Make us an offer.—S. E. Parker, Ltd., of Prince Rupert, B. C.**

Reports of the wheat crop in Alberta are exceptionally favorable—best for years is the general report. In one place it is said that the wheat is now 42 inches high.

Ashley Boyden, teacher at Sealy school is spending his vacation at his home in Victoria.

Miss Jean Burns left Friday for Vancouver where she will attend summer school at the U. B. C. for the next few weeks.

Miss Margaret McLean, teacher in the superior school, Hazelton for the last couple of years, has resigned her position to take a special course of studies. She left for her home in Rupert on Saturday.

Miss Marjory Sutherland of the Hazelton teaching staff left by motor the first of the week for her home in Ashcroft where she will spend the holidays.

Miss Ford, R.N., of the Hazelton hospital staff, who has been with her mother in Armstrong for the past few months, has returned and resumed her duties here. Her mother is much improved in health.

Rev. Mr. Bannister left the first of the week for Kamloops to get Mrs. Bannister and accompany her home.

Hagwilget canyon was quite a favorite spot for the anglers during the holiday and the week end.

Dominion Day was very quietly spent in this vicinity. The Hazelton ball team went to Smithers in the afternoon, but most of the people were on private picnics, fishing or stayed at home.

Mr. Peterson, the eminent mining engineer of Vancouver, who reported last week that he was going to put a forty ton mill on the Knauss property near Dorrceen, took a look at the road and went back to the south. It is not reported if he has even yet seen the mine.

Miss Mary Sargent of Hazelton arrived home last week from Vancouver where she has been attending school.

Miss Lois Anderson has returned to Hazelton after a two weeks motor trip with her parents. Mr. and Mrs. Anderson will not be back for some time yet.

Mr. Freeman of Sheehan's school and Mr. Campbell of Love's school, in the Kisplox, have gone to their homes in Vancouver for the holidays.

W. S. Hury of Smithers was a welcome visitor to this part of the district on Monday.

A number of cars of tourists arrived in the district the first of the week.

There will be no services in St. Peter's Anglican church on Sunday next owing to the absence of Rev. Mr. Bannister. He will be home for the Sunday following.

John Rukin of New Hazelton has been granted a license as lay reader in the Anglican church.

### STEPHENSON-HELKENBERG

The marriage took place in Hazelton Saturday, July 2, of John Robert Stephenson of Smithers and Nellie Ruth Helkenberg of Smithers, formerly of South Hazelton. The ceremony was performed by Rev. S. V. H. Redman, and was witnessed by Mr. and Mrs. David Pratt. The happy young couple will reside in Smithers.

### SMITH-JAMES

From the Bassano, Alta., Herald. A quiet and pretty wedding was solemnized in Knox Presbyterian church, Calgary, at 2.30 p.m., Friday, June 17, when Katie, eldest daughter of Mr. and Mrs. G. H. James of Vernon, B. C., was united in marriage to Mr. Wallace J. Smith, of Bassano.

The bride, who entered the church on the arm of her cousin, Mr. A. Campbell, was becomingly attired in a gown of pale blue tulle, with picture hat and lace gloves and carried a bouquet of pink roses and carnations.

Miss Marion Smith of Calgary, sister of the groom, was bridesmaid. She wore a dress of green crepe de chene with pink carnations. The groom was assisted by his brother, Wesley G. Smith of Raymond, Alta. The Rev. P. C. McRae, of Bassano, was officiating celebrant.

The guests at the wedding breakfast served at the York Hotel, included Mrs. John C. Smith, of Millet, mother of the groom and other relatives and close friends.

The happy couple left by motor for Jasper Park and will be at home in Bassano to all their friends after July 10th.

### BASEBALL AT EVELYN

Last Sunday afternoon the young people's sports club of Evelyn held a picnic at Trout creek and the feature of the afternoon was the baseball game between the married men and the single fellows. A year ago the old men trimmed the youngsters in great shape and the young men have been smarting under that defeat ever since. The Sunday game was most exciting at all times and Umpire "Slim" Gregorson had his hands full. Everything went except murder and "Slim" drew the line there. The young men won by a score of 22 to 21 and the old fellows are still scratching their heads and rubbing their old bones and muscles. But one of the senior players remarked "Wait until August when the young people put on another picnic. If we don't take those young rascals over our knees, it will be a caution."

### IN THE SUPREME COURT OF BRITISH COLUMBIA

#### In Probate

In the matter of the estate of Joseph Onesime M. Dechene, Deceased

and

IN THE MATTER OF THE ADMINISTRATION ACT

Take notice that by order of His Honor P. McE. Young, local judge of the Supreme Court of British Columbia dated the 21st day of June, A.D., 1932, I was appointed administrator of the estate of the said Joseph Onesime M. Dechene, deceased. All parties having claims against the above estate are hereby requested to forward same to me properly verified on or before the 9th day of August, A. D., 1932, and all parties indebted to the said estate are required to pay the amount of their indebtedness to me forthwith.

Dated at Smithers, B. C., this 28th day of June, A. D., 1932.

H. B. Campbell  
Official Administrator
